I have a talent pool of computer professionals for iPad, Mac and PC systems.

We offer **on-site**, flexible, even urgent, technology assistance for the **New York City** area

We do **training**. We teach people to use their computers better. 1-on-1 works best!
We are particularly adept with novices and seniors, because we're patient.

- Basics: iPad, iPhone, Mac and Windows fundamentals, Gmail, Microsoft Office suite (Word, Excel, PowerPoint, and Outlook)
- Photo and music file management
- Specialty programs, including Photoshop and web design

We offer **technical support**:

- Networking
- Removing viruses, adware, spyware and SPAM
- Tune-ups and upgrades
- Synchronizing iPhone, BlackBerry or Droid with Mac and PC
- Data backup
- Skype setup
